

Using the Sony Ericsson K800i phone to send photos to TwitPic

1. Sign in at TwitPic with your Twitter userid and password.
2. Under the **settings** tab you'll see an email address. This is the email address you send your photos to.
3. Add a new contact to the SE K800i. In the **New email** type in your TwitPic email address

4. Take your photo. Click on **Send** and choose **As email**

5. Use the subject line as your twitter message. Press **ok** and then select your TwitPic email address and then press **Send**. That's it your done!
